About

Kode international is a dynamic new venture in the tobacco industry founded by seasoned industry experts with more than 25 years of tobacco experience. Nestled in the heart of UAE, Kode International is distinguished by its wide variety of premium cigarette products and cutting edge designs. With a commitment to innovation, Kode international seeks to redefine smoking experiences globally by offering products that cater to diverse consumer preferences through bold flavors, sleek packaging and pioneering techniques.

Our mission is to deliver premium tobacco products that combine quality craftsmanship with innovative design, catering to the diverse tastes of our global consumer base. We are committed to responsible business practices, ensuring that our products meet the highest standards of safety and satisfaction while continuously evolving to set new trends in the tobacco industry.

King Size CLASSIC & Hollow Filter

Kode King Size Classic & Hollow Filter Cigarettes are premium products from KODE International, designed for smokers who enjoy a balanced, smooth smoking experience. The Classic variant offers a rich and robust flavor, making it a perfect choice for traditional smokers who appreciate timeless quality. On the other hand, the Hollow Filter variant features an innovative filter design that enhances airflow, delivering a lighter, more refined draw without compromising on taste. Both options reflect KODE International's commitment to quality and innovation, providing smokers with superior choices that stand out in the market.
